Why support Canadian Artists Network and PAL Toronto?

The Canadian Artists Network is a registered Canadian charity committed to ensuring that senior professional artists live in an inclusive world where they can continue to pursue their careers and serve as role models for the next generation.

Performing Arts Lodges Toronto is a registered Canadian charity which provides affordable housing for members of the performing arts and affiliated industries in Toronto in a supportive environment, looking after the needs of those residents less capable of helping themselves through age, infirmity or lack of means. PAL's current focus is on expanding that capacity by expanding its footprint.
